Yes No

Name of Participant _____

Financial Details

Standard Cost:

- ❑ \$220/Week (Monday-Friday from 8:30a.m.-3:30p.m.) Please see previous page for cost of partial schedules.
- ❑ **One-time registration fee of \$20 per child.** This fee covers registration costs, camp t-shirt, and other supply costs.
- ❑ 10% family discount for more than one child enrolled in CFS Summer Camps, applied to the lowest tuition rate(s).
- ❑ **Club Wolf: All eleven weeks of full-time summer camp \$2,200 (\$220 discount).** Wolves are very intelligent and committed to their pack, just as campers who attend the whole summer will have learned the most and been committed to camp all summer. Campers who attend all ten weeks get to be part of the exclusive Club Wolf.
- ❑ **Before Care and After Care.** CFS provides before care from 8:00am-8:30am and after care from 3:30pm-6:00pm for an additional \$5/hour. Before care and after care will be invoiced at the end of each month.
- ❑ Late pick-up charges (as per CFS policy):
 - \$5.00 flat fee for pick-up between 1:00-1:05, 3:30-3:35 or 6:00-6:05. \$1.00 fee for every additional minute thereafter. Please pick your child up in a timely manner as a courtesy to our staff.

Payment is due at time of registration. Please contact the office staff for assistance in calculating the total amount due or if you would like to discuss setting up a payment plan.

Cancellations must be made two weeks in advance of a registered camp. Cancellations made after the two week deadline will receive a 50% refund.

T-Shirt Size:

Please circle your child's t-shirt size (please be aware sizes run large, samples available in CFS office):

Name of Participant _____

Image and Field Trip Permission/Daily Policies Form

Please thoroughly read the following information that pertains directly to your child's safety, enjoyment, and well-being. Don't forget to sign and date the second page!

Image Permission

Clark Fork School staff or representatives may take photographs and audio/video recordings of participants engaging in program activities and events. Throughout the year, these images are used on brochures, the CFS website, newsletters, etc. Please grant or decline permission for CFS to use photos of your child by checking the appropriate box below.

____ I authorize CFS to utilize photographs and/or audio and video recordings of any member of my family for promotional materials and on the school's websites, so long as CFS does not divulge names or contact information.

____ I decline the opportunity for CFS to utilize photographs and/or audio and video recording of my child.

Field Trip Permission

I, _____, give permission for my child, _____, to participate in all activities, saunters, and field trips. I understand that my child will travel by walking, hiking, and public bus and I understand and accept all associated risks. _____ **Please Initial**

Sunscreen Permission

I give CFS staff or representative permission to help my child put on sunscreen when necessary and will send sunscreen with my child every day. _____ **Please Initial**

Appropriate Clothing

I understand that my child will be spending a significant amount of time outside, rain or shine. I agree to always send them with weather appropriate clothing. This includes, but is not limited to, the following: A rain coat, sunglasses, a dry change of clothes, a swimsuit, water shoes, and other necessary items. _____ **Please Initial**

Healthy Snacks

I understand that my child will be participating in energy-intensive activities. Thus, I agree to send my child with a daily, healthy lunch and snacks for them to enjoy throughout their daily activities. I understand that this food needs to sustain and satiate my child until pick-up time. _____ **Please Initial**

Name of Participant _____

Student Code of Conduct

It is our ultimate goal to provide an excellent experience for all Shooting Star participants. This includes ensuring that every child has the right to feel safe, to feel valued, to receive individualized attention, and that no child has the right to impinge on those same rights of others in the community. Students are always expected to conduct themselves in an orderly, polite, and safe manner and to adhere to the following behavior guidelines: Show respect for self, others, environment, and all living things; Demonstrate personal responsibility for actions, personal and community belongings, and group activities; Demonstrate self-control by using one's body and words in a kind and honest manner. _____ **Please Initial**

Disciplinary Philosophy

Our Shooting Star program will adhere to and uphold Clark Fork School's disciplinary philosophy. We expect every student to abide by our Code of Conduct. When problems arise, we will engage in a variety of conflict resolution strategies, redirection, and, if necessary, a child will be asked to take a break from their current activity (more detailed information can be found in our Parent Handbook and 2+2+2 Policy). If none of these strategies assist the child in joining appropriately in the social and academic environment that best serves the community as a whole, a parent or guardian may be contacted for consultation and assistance. If a student's behavior proves a significant danger to themselves, the group, or their teachers, a parent or guardian may be asked to come pick their child up and remove them from the program for the remainder of the day. _____ **Please Initial**

By signing below, my child and I acknowledge that we have thoroughly read and understood all provided information. We agree to adhere to all policies and procedures.

Shooting Stars Summer Camp Weekly Themes

Who is the Shooting Stars Summer Camp Program for? Pre-K students who are at least 3 years old who want to engage in meaningful, fun, and place-based activities. 2 year old students who were enrolled in our Steller's Jay program during the 2015-16 school year are also welcome. You do not, however, need to be a CFS student to attend – we encourage new families to participate!

Week 1: June 12-16 – Montana Creature Power

This camp is all about exploring the magnificent wildlife of our local backyard. We will put our observation skills to the test by learning how these creatures act, where they live, and the magical adaptations that make them who they are. Come join us to discover Montana's wild side!

Week 2: June 19 – 23 – On the Bus

The wheels of the bus go 'round and 'round during this fun week of bus excursions in and around our Rattlesnake neighborhood. We will ride the bus to Greenough for a picnic, to Mt. Jumbo for a wildflower saunter, and to Lincolnwood to splash in the creek. Our other two locations will be picked by students! Campers will learn bus etiquette and will have the opportunity to experience the awesome sustainable transportation we have in Missoula.

Week 3: June 26 – 30 – Native Pollinators

At our Native Pollinators Camp, kiddos will explore different native pollinators, why they are important, the logistics behind the magic, and what/where they need to live. We will work together to build a Native Bee House and Bug Hotel for our Garden Learning Center. Let's use our imaginations to act like bees, our building skills to create a home, and our energy to work together!

Week 4: July 3, 5-7 – Unique You. (*) There will be no camp on Tuesday, July 4th (***)**

This week will be all about celebrating personal expression and individuality! We will focus on the beauty of being ourselves and each day will help us honor our personal uniqueness. Students will take a leadership role in planning each day's activity, allowing them to explore their favorite parts of themselves. This week is all about building self-confidence!

Week 5: July 10-14 – Insect Investigators

Spend the week exploring the different bugs that live around us. We will learn about bug parts and play bug games. We will find bugs that live in different habitats, make bug art, and have lots of buggy adventures! Come join us for a week of getting buggy with it!

Week 6: July 17-21 – Avian Adventures

We will become bird experts this week as we soar with Red Tailed Hawks and wade with American Dippers. We will learn about the ways birds eat and live in the Missoula Valley. Tons of fun bird games and crafts will bring out your inner bird nerd!

Week 7: July 24-28 – H2Whoa!

Join us for a week of learning about and playing in the water. We will explore the water cycle through movement, art, and music. Campers will investigate the different shapes water can take and the fun ways it can keep us cool. Get ready for lots and lots of splashing!

Name of Participant _____

Week 8: July 31 – August 4 – Let’s Get Cooking

Food gives us energy, so this week we focus on how to fuel our bodies and delight our tongues. We will bring our garden to life as we taste test, mix, blend, freeze, and bake. Campers will be active participants in creating snacks and treats with a focus on healthy energy sources. If your camper has dietary restrictions, please make note of them on your camper’s enrollment form.

Week 9: August 7 – 11 – Get Your Groove On

We will bop to the beat and make our own tunes this week! How fun it will be to make our own instruments, sing silly songs, and break out some stellar dance moves. Music will be our guide as we saunter along, singing our song. Rhythm not required!

Week 10: August 14 – 18 – Fun with the Sun

August tends to be hot, hot, hot! The sun will power our fun this week as we make solar ovens, investigate the sky and its patterns, and play with our shadows. Crafts, games, and snacks will teach us how the sun burns bright all summer long!

*Please let us know if you have any questions, concerns, or need clarification in any way.
We look forward to a fun summer with you!*
